

WeldTec®

Stubby™ TIG Torches

“Stubby” Torches offer unprecedented versatility for light duty TIG welding.

- Interchangeable heads
- Light weight and compact
- Better weld puddle control
- Less hand and wrist fatigue

Ten interchangeable heads that can be changed in seconds allowing access to the most difficult weld locations. Ideal for tube welding.

The soft flexible rubber handle is easy to hold without strain or tension to the hand.

The super flex rubber power cable is the most flexible in the industry, over braided with non-flammable yarn for durability.
